

10.06.25 | INVESTMENT MANAGEMENT

Are We in 1997 or 1999? (Video)

It's the final episode of Rise UP!, and Grimes & Company CEO Kevin Grimes joined host Joe Duran once again to for a deep dive into how modern markets manage—or fail to manage—systemic stressors. Among other topics, they tackle why markets often seem immune to shutdowns, how “late-stage FOMO” can lure investors into overvalued sectors just before a reversal, how credit markets as a barometer for the broader financial system, and much more.

Watch the full episode below:

Additionally, below is a breakdown of all the themes and topics from this most recent episode, along with timestamps for easy browsing:
