Cameron Eddy joined Grimes & Company in 2025. Cam takes pride in helping clients and finds it deeply rewarding to make a positive impact on their lives through thoughtful financial planning.

Cam attended UMass Amherst, where he earned his Bachelor's degree in Corporate Finance before pursuing his master's degree. During college, he worked as both a cameraman and broadcast director for UMass Athletics, producing ESPN+ broadcasts for varsity sports teams. He also interned twice at Fidelity Investments—once in Marketing and once in Operations—gaining valuable experience that now supports his client-focused work at Grimes.

When he's not working, Cam enjoys playing tennis, golf, and basketball. He has attended the U.S. Open for the last two years and hopes to make it an annual tradition. He is also an avid Boston Red Sox fan.
